

NEW!

Do you love Lego? Then Lego Club is for you. Just drop in and get creative with our growing mountain of Lego.

Make a creation of your own, or take part in our set challenges or themed builds. Display your masterpiece in our display case till next month's meeting.

Why Lego at the library? Building with Lego encourages and develops STEM (Science, Technology, Engineering & Maths) skills, fosters creative problem solving and enhances spatial skills. And all this while having fun!

WHEN ?
1st Thursday of
the month

WHAT TIME?
4.00 - 5.00pm

WHERE?
Picton Library

WHO?
Kids aged
5 - 12 years
